**Re: School of the Holy Child
Extension of Special Exception Use Permit Approval
Block 601, Lot 4-4.5**

Honorable Supervisor and Members of the Town Board:

As you know, this firm represents the School of the Holy Child ("Holy Child"), owner of the above-referenced premises. On November 20, 2013, your Board ratified the special exception use permit that was approved by the Planning Board on October 22, 2013.

Pursuant to § 235-14(j) of the Town's Zoning Code, the authorization for a building permit expires 90 days after your Board's action in the event that a building permit has not been applied for within that time. That 90 day time period is set to expire on February 18, 2014. While we anticipate applying for a building permit prior to that date, in an abundance of caution we are making this application to your Board for a 90 day extension.

I respectfully request that you place this matter on your February 10, 2014 agenda for the purpose of granting a 90 day extension. If you have any questions or concerns, please don't hesitate to contact me.

Very truly yours,

VENEZIANO & ASSOCIATES
